

TLC Session IV

Activity 1: Presentations—share your plan

- Each TLC participant will have 5 minutes to describe their ePortfolio project for next semester implementation.
- In providing feedback, consider how the plan supports the pedagogical approaches to integrative learning:
 - Interactions among students about their work
 - Peer feedback
 - Problem-based learning
 - Real world integration
- Discuss what support participants will need in order to implement their plan

Activity 2: Features of *Digication*

- Change your password
- Privacy settings
- Viewing ePortfolios for your students

Moving forward:

- You will receive a link to TLC course evaluation in the near future. Please respond!
- ePortfolio facilitators available by e-mail or appointment
- eTern (student) support available in Student ePortfolio Lab (Library, Second Floor)
- Periodic “brown bags” or cafeteria lunches next semester to discuss progress
